

Ingredients

alpha-terpinyl acetate, eucalyptol, terpineol

100% Natural and Pure

100% Sri Lankan Product

Ceylon Cardamom Oil

The essential oil is steam-distilled from the cracked dried seeds inside the cardamom pods. It has a sweet, warm, spicy, and slightly camphorous / minty aroma that is both refreshing and comforting.

Cosmetics & Aromatherapy, flavoring

Concentrated oil

Use 1-2 drops of your flavoring purpose
For Aromatherapy mix 1-2 drops with coconut oil, jojoba oil or any carrier oil, Excellent for flavoring milk tea, coffee, traditional sweets, and curries.
